

-ARTS SUBJECT GUIDE-

I have not included any specific titles in this guide because I have found that if someone has one or two titles in hand and they are not there, most will leave empty-handed. I have written the classification number for each topic within the subject category: ARTS. Please browse the books in the Library using this document as a guide for the information you seek. Electronic sources are listed at the end of this document.

3D Studio	TR897.7.A93+
Aesthetics	BH56
Architecture	NA31+
