

## -GENERAL REFERENCE INFORMATION-

I have not included any specific titles in this guide because I have found that if someone has one or two titles in hand and they are not there, most will leave empty-handed. I have written the classification number for each topic within the subject category. Please browse the books in the Library using this document as a guide for the information you seek. Electronic sources are listed at the end of this document.

Almanacs	A467
Atlases (on stand near periodicals)	G1200+
Biography, Author	PS129
