

## -LC SUBJECT GUIDE-

I have not included any specific titles in this guide because I have found that if someone has one or two titles in hand and they are not there, most will leave empty-handed. I have written the classification number for each topic within the subject category. Please browse the books in the Library using this document as a guide for the information you seek. Electronic sources are listed at the end of this document.

3D Studio	TR897.7.A93+
AIDS	RC607
ASP	QA76.625.A644, TK5105.8885
Aesthetics	BH56
Age	HD772+
Algebra	QA155
Almanacs	A467
Alternative Medicine	Q733, RC81
