

## -SOCIAL SCIENCE SUBJECT GUIDE-

I have not included any specific titles in this guide because I have found that if someone has one or two titles in hand and they are not there, most will leave empty-handed. I have written the classification number for each topic within the subject category: SOCIAL SCIENCE. Please browse the books in the Library using this document as a guide for the information you seek. Electronic sources are listed at the end of this document.

Aesthetics	BH56
Age	HD772+
Creativity	BF408
Diversity	E184
Economics	HB71+, HC59.7+, HC103, HF5548.32, K487
Environment	GE10+
